

DIRECTIONS TO COOLAMON STATION FROM THE SOUTH

(ie: from Brunswick Heads, Byron Bay & Ballina)

Note: This drive from the Pottsville exit, although quicker from the South has approximately 10 kms of gravel road (but still is a spectacular scenic drive!). If you prefer to have less dirt road, take the Cabarita Beach exit instead and follow those directions to Coolamon Station. It will take you a few minutes longer but only has about 1km of gravel road. Either way it is a spectacular country scenic drive 😊

- From the South take the **Pottsville** exit off the M1, at the top of the exit ramp turn **LEFT** onto **Cudgera Creek Road** towards the West.
- Follow Cudgera Creek Road 500m and turn right into **Reserve Creek Road** (ignore the council sign that says access to Murwillumbah is closed.. Palmvale is before the road closure 😊).
- The road will turn to gravel (dirt road) after approx. 2 mins... keep following **Reserve Creek Road** for 6.8 kms (10 mins) and the road will become permanently bitumen again. Just on from the start of the permanent bitumen road, at the top of a small crest you will pass the Round Mountain Road junction (this takes you to Cabarita Beach). Don't turn there (it's just a waypoint) just keep staying left on **Reserve Creek Road** and keep following the bitumen road towards Murwillumbah. After 2kms (2mins) from the Round Mountain Road junction you will come to **Palmvale Road** on your left hand side
- Turn left into **Palmvale Road** and follow for 2.5kms (4 mins)
- You will see a white timber railing fence, cow letterbox with "**Coolamon Station**" sign on the fence. **245 Palmvale Road Palmvale!** Welcome you're here!! Come on in straight down the driveway (check out the cows & horses in the paddock on the right as you come in) go past the stables – you will see the Woolshed & carpark ahead on your left hand side – can't miss it!!

... you made it!! Welcome to your amazing farm experience!
